Dear Resident

Parking in Hawkenbury Area

As you may be aware, since the occupation of the old Land Registry building by AXA PPP, on-street parking has become problematical in certain streets around Hawkenbury. As part of their planning consent for an extension to the building, AXA PPP were required to provide funding for a review of on-street parking and the introduction of any restrictions deemed necessary as a consequence.

The purpose of this letter is to seek residents views so that we can move forward to specific proposals and a formal consultation. At this stage therefore, we would like to learn more about what you consider to be the main parking issues, if any, and what your preferred solutions are.

You may have noticed that we have already implemented some new yellow line restrictions, primarily around junctions to deal with the more pressing highway safety issues. It is now time to look at ways in which we can deal with the remaining, and probably more widespread, concerns.

One issue that we will be considering, and where your views are of particular interest, is the possibility of some form of resident priority parking. Before commenting on that, it is important to understand that there is an annual charge to residents for operating such a scheme, currently £60/year, which is reviewed from time to time.

A survey is available on our website:

www.tunbridgewells.gov.uk/hawkenbury

Alternatively, please complete the form enclosed and return in the prepaid envelope.

It would be appreciated if you could send any responses by 11th January so that these can be collated and included in a report to the Joint Transportation Board in February. If you prefer to complete the form and submit by post, a version is enclosed.

If you have any queries in respect of this matter please do let me know.

T: 01892 554091

E: parking.services@tunbridgewells.gov.uk

Yours faithfully

Nick Baldwin
Senior Engineer

Parking in Hawkenbury Survey

To enable us to better understand the issues which may be of concern in respect of on-street parking, it would be appreciated if you could answer the following questions:

Which road do you live in?

Do you consider there to be parking problems in your road?

Yes

No

If so, are your concerns related to highway safety or lack of parking for residents?

Safety

Parking

Both

If the issue is highway safety, is the problem an all day/every day occurrence?

Yes

No

If the issue is availability of on-street parking, do problems persist overnight?

Yes

No

If the issue is availability of on-street parking, are there problems at weekends?

Yes

No

Do you favour the idea of permit parking for residents?

N.B Residents incur an annual charge for permits, currently set at £60

Yes

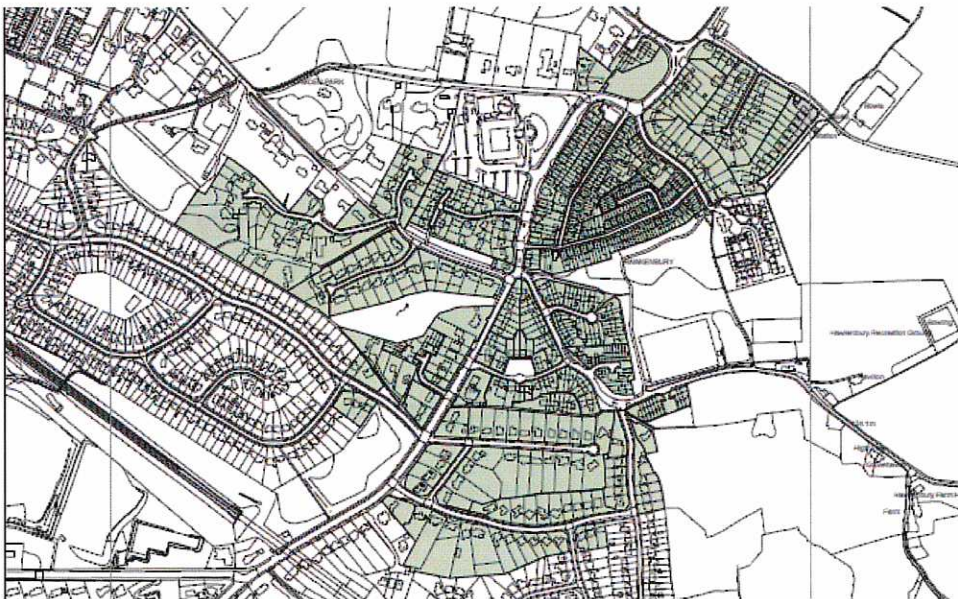

No

This survey continues on reverse.

Parking in Hawkenbury Survey

Do you have any further comments to make?

This survey has been sent to all addresses in the roads highlighted below.

Do you agree that this fully covers the area potentially affected by overspill parking from AXA PPP?

Yes

No

If no, which other roads should have been included?
