

## Borough Landscape Character Assessment 2017 SPD

### Schedule of Corrections and Updates

<b>Item</b>	<b>Issue</b>	<b>Suggested amendment</b>
1	Landscape Character Area 19: Wrong title at top of text pages 155 to 159 (it has area 18 title)	Edit to provide correct title
2	Landscape Character Area 12: Page numbers missing	Add page numbers
3	Figure 8 Historic Landscape Characterisation	This was a provisional map and a completed map is now available to replace this one.
4	Page numbering up to page 24 is confused going from page 24 to page 2 in section 2	Correct page numbers
5	In personal comments to officers some parishes raised the issue of the naming the character areas where they crossed parishes and of being able to identify the character areas in relation to parish boundaries.	Having looked at this issue suggest that Pembury Forested Plateau be renamed as Pembury/Capel Forested Plateau and suggest that parishes are issued with a map that overlays character areas with parish boundaries.
