Update on complaints received under the Members' Code of Conduct

1. PURPOSE OF REPORT AND EXECUTIVE SUMMARY

- 1.1 This report provides an update on complaints received under the Members' Code of Conduct in the period 30 August 2019 to 14th November 2019.
-

2. INTRODUCTION AND BACKGROUND

- 2.1 The current Members' Code of Conduct ("the Kent Code") for Tunbridge Wells Borough Council was adopted by the Borough Council on 18 July 2012. It was a requirement under the Localism Act 2011 that all councils adopt a Code of Conduct and that the Code adopted must be based upon the Nolan Principles of Conduct in Public Life. At the same Full Council meeting the Council also adopted arrangements for dealing with complaints ("the Kent Procedures") made under the Code of Conduct in the Tunbridge Wells area. The current version of the Kent Procedures can be found on the Council's website.
 - 2.2 The Localism Act 2011 requirement to adopt a Code of Conduct also applied to the parish and town councils in the Tunbridge Wells area and all have adopted a Code of Conduct. These parish and town councils, with the exception of Paddock Wood, adopted the same 'Kent Code' which had been agreed across Kent and was adopted by the County Council, most of the district councils and most of the parish and town councils in Kent. Paddock Wood Town Council adopted the National Association of Local Councils model Code of Conduct.
 - 2.3 Under the Localism Act 2011 the Borough Council is responsible for dealing with any complaints made under the Members' Codes of Conduct against Borough, parish and town council members throughout the Tunbridge Wells Borough area. The arrangements for dealing with complaints ("the Kent Procedures") that were adopted by the Borough Council also apply in cases concerning parish and town councils.
 - 2.4 The Borough Council have resolved that oversight of the Kent Procedures falls under the Audit and Governance Committee.
-

3. UPDATE ON COMPLAINTS RECEIVED

- 3.1 At each Audit and Governance Committee meeting the Monitoring Officer provides an update regarding Code of Conduct complaints. The update omits details of the identities of the complainant and the subject member because the Localism Act repealed the previous statutory process under which names were published. In the absence of that statutory process, the Data Protection Act requires the names to be kept confidential at this stage

- 3.2 At the Audit and Governance Committee on 10 September 2019 it was reported that there was one outstanding complaint that was awaiting the Subject Member's comments. Following receipt of those comments, the Monitoring Officer consulted with Mr Michael O'Higgins, the Council's Independent Person and made some additional inquiries. As a result the Monitoring Officer concluded that the complaint failed both the legal jurisdiction and the local assessment criteria tests and rejected the complaint.
- 3.3 Since the last meeting three further complaints have been received. One complaint is from a member of the public alleging bullying and disclosing private information on social media. The other two complaints are from borough councillors against the same fellow councillor alleging inaccurate and defamatory statements which are being dealt with as one matter.
- 3.4 As to the first complaint the Monitoring Officer, having consulted the Council's Independent Person, is proposing to deal with the matter informally by providing training and mentoring to the Subject Member.
- 3.5 In the remaining matter the Subject Member has offered an apology to the Complainants and having received the Independent Persons views, the Monitoring Officer has concluded the matter informally.
-

4 PREFERRED OPTION AND REASONS FOR RECOMMENDATIONS

- 4.1 That Members note the update on complaints received under the Members' Code of Conduct.
-

5 CONSULTATION RESULTS AND PREVIOUS COMMITTEE FEEDBACK

- 5.1 This report does not require further consultation as it is for information only.
-

6 NEXT STEPS: COMMUNICATION AND IMPLEMENTATION OF THE DECISION

- 6.1 The Committee's decision will be published in the minutes of this meeting on the Council's website in due course.
-
