

Update Report

Recommendation:

That the report be noted

1. INTRODUCTION

- 1.1 This report provides an update on matters that have previously been subject to consideration by the Joint Transportation Board and where there has been substantive progress or changes to note.
- 1.2 Any outstanding matters that are pending will not usually be included in this report but do continue to be monitored separately and may be subject to a report or inclusion in an Update Report on a future date.
- 1.3 These items are 'to note'. Any items where a decision is required will be subject to a full report.
