

## **Kent Community Rail Partnership - Presentation**

**1. Brief overview of Kent Community Rail Partnership**

This will include our structure, how we are funded, the areas we cover and some information about our partners, our key aims and objectives, 4 pillars

**2. Our projects and activities**

We will present a broad mix of our projects and activities – from on train community events to long-term projects supporting college student to gain practical skills to station audits and cycle rail project. We will mention our recent award winning projects

**3. Opportunity to work with us**

Discuss the opportunity for members to join our partnership meetings, potential to explore new project ideas in the locality
