Would you support using council reserves for one year to balance the budget, rather than reducing services?

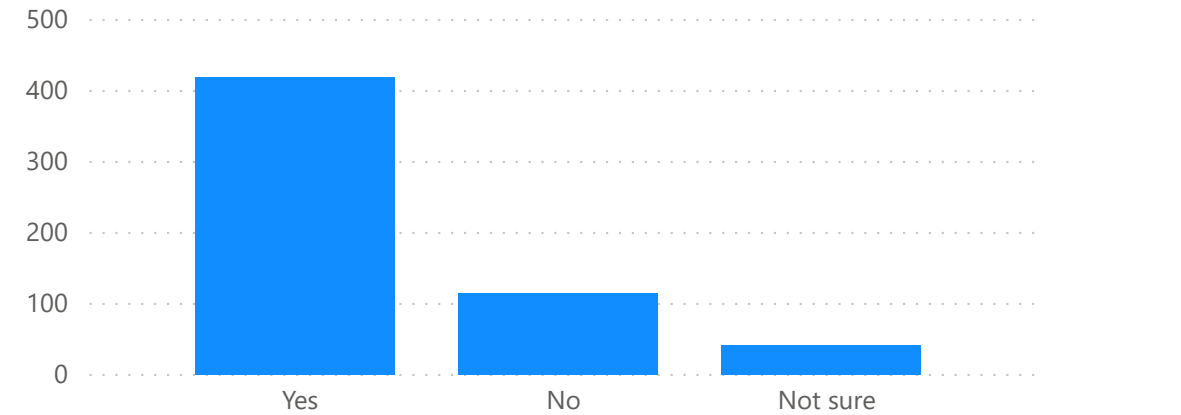

Would you support the principle of the council being able to set charges locally for services?

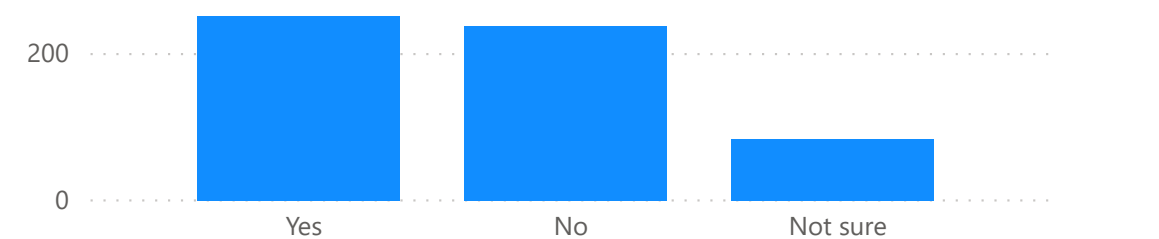

Do you agree that the council should increase Council Tax by £5 for 2021/22?

Do you agree that the council should increase Council Tax by £5 for 2022/23?

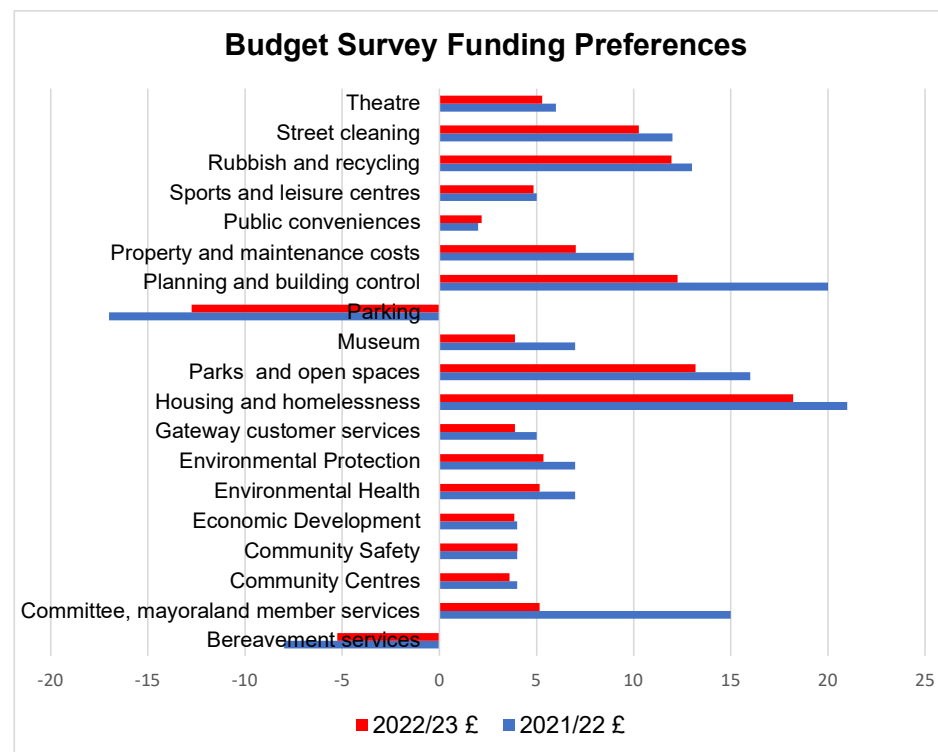

Would you support an increase in Council Tax of more than £5 to protect services?

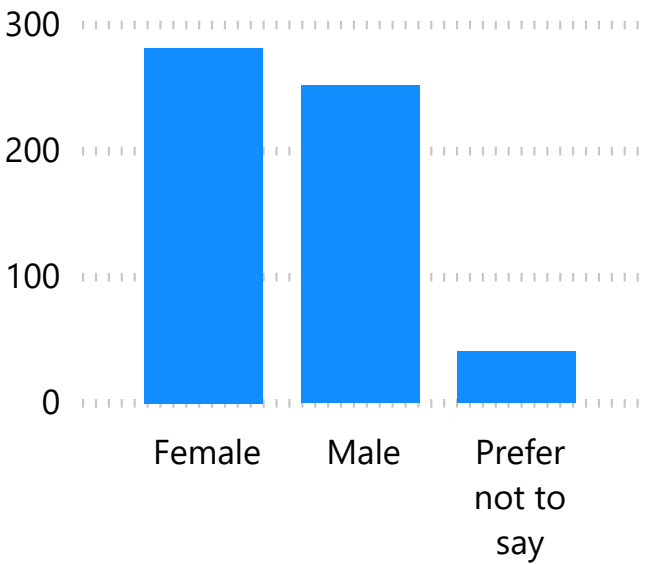

Budget Survey Funding Allocation of £100
