

Consultation methodology

The proposed consultation will run for a four-week period between 20th January and 16th February.

Key stakeholders and community members (as noted below) will be contacted directly with the proposals and invited to make a response.

However, the proposals will be available for anyone to consider on our website, and information on the consultation will be circulated on social media. The Council will accept any consultation responses via email or in writing from any person or organisation with an interest in the issue.

Suggested list of ‘specific consultees’.

Registered electors in the area directly affected by the proposed change will be written to advising them of the proposals and consultation opportunity. These residents will be all registered electors in the Knightswood area, living in the following roads:

- Admiral Walk
- Coppice Close
