Subject: Hackney carriage fare proposal 2022

Dear Sharon

Hope this attachment works.

I have noted a few things down what we will charge 2019
Diesel was £1.189 today £1.829 cheapest in town source RAC
Hackney yearly cost £375 includes MOT
From April £300.50 plus MOT £420.50
Operators licence 5 years £516 from April £593

Hope this is ok.

Regards
