Dear Steve

Further to our recent walkabout and using the plans of Tunbridge Wells Common that you have us, please find outlined below details our quote to undertake the work required:

Reinstatement and digging out of ditches on Tunbridge Wells Common

To dig and clean out the ditches on Tunbridge Wells Common, marked on the plan
Dumper all spoil dug to agreed tipping site on the common
Find the various culverts and make sure they are working
Remove all wooden crossings and disposal of the old sleepers,
Reinstate crossing, and any other crossings marked on the plan, with soil and a solid wall 4" pipe culvert under the crossing

The exact work to be agreed on site with the Warden prior to commencement of works.

The cost of all the works will be £10,000.00 inc Vat

I hope this meets with your approval

Kind regards
Sheridan
