1. That Cabinet approve the adoption of the Tenancy Strategy 2023 as Appendix A. This report recommends the adoption of the updated the new tenancy strategy to align with the policies set out in the new local plan & allocation and homelessness schemes

# 1. Introduction and Background

- 1.1 The 2011 Localism Act introduced a duty on local authorities to prepare and publish a Tenancy Strategy. Under the terms of the Localism Act, councils in England must prepare and publish a strategy (a “tenancy strategy”) setting out the matters to which the registered providers of social housing for its area are to have regard in formulating policies.
- 1.2 The Tenancy Strategy is an overarching strategy, which gives guidance and information to Registered Providers of Social Housing (RPSH)
- 1.3 The strategy must set out matters which all registered providers of social housing that operate within the borough must consider when framing their own tenancy policies.
- 1.4 The Tenancy Strategy is not an isolated document; it is in conformity with the council's Homelessness Strategy and the council's Allocations Policy. It also has regard to the policies for the supply of new affordable housing in the Borough set out in the Local Plan.

## 2. The purpose of the Tenancy Strategy

- 2.1 The purpose of the Tenancy Strategy is to outline the issues which housing associations must consider when formulating or amending their policies on flexible tenure and affordable housing in the Tunbridge Wells Borough Council area. These policies must relate to:
  - The kinds of tenancies the RRPSH grants
  - The circumstances in which they will grant a tenancy of a particular kind
  - Where they grant tenancies for a certain term, the lengths of the terms granted
  - The circumstances in which they will or will not grant a further tenancy on the coming to an end of the existing tenancy
- 2.2 The submission Local Plan sets out the Council's objective of providing genuinely affordable housing and emphasizes the Council's general approach to tenure provision and partitions the provision of onsite affordable housing as 60% social rent and 40% intermediary/ Shared ownership.
- 2.3 The Tenancy Strategy also caps affordable rent to the Local Housing Allowance which is rent charged on affordable housing up to 80% of market rent ensuring that properties available to the housing register don't exceed the total housing allowance element of universal credit available to housing need applicants.

- 2.4 The Tenancy Strategy also incorporates & reinforces The Regulator of Social Housing published new Rent Standard which came into effect on 1 April 2020.
- 2.5 The Social Housing White Paper published on 17 November 2020 set out a Charter for Social Housing Residents and affirms the Government's continuing commitment to give social housing tenants a greater voice, the right to safe and secure accommodation and of the importance of good quality homes and neighbourhoods to live in.
- 2.6 The Tenancy Strategy sets out the strategic position of the Council with regards to the use of, review of and ending of fixed term tenancies, affordable rents, mutual exchanges, succession rights.

### **3. Options Considered**

- 3.1 **Option 1** That Cabinet approves the contents of the draft Tenancy Strategy 2023 at Appendix A, updating current strategy.
- 3.2 **Option 2** That Cabinet proposes changes to the draft Strategy at Appendix A.
- 3.3 Tunbridge Wells BC must publish a tenancy strategy in accordance with the localism act 2011, The Council could continue to operate with the ten-year-old Tenancy Strategy of January 2013.

### **4. Preferred Option and Reason**

- 4.1 **Option 1** is the Preferred Option as the Tenancy strategy has not been reviewed since its initial conception in 2012, welfare reform and the new local plan presents an opportunity for the tenancy strategy to be reviewed to ensure tenancies strategies are in line with the council's current policy positions.

### **5. Consultation on Options**

- 5.1 The nominations agreement has been drafted with regard to the guidance and input from Kent Housing Group and Registered Housing providers operating within the borough.

## Recommendation from Cabinet Advisory Board

## 8 Cross-Cutting Issues

### A. Legal (including the Human Rights Act)

Under section 150 of the Localism Act, local housing authorities must prepare and publish a tenancy strategy setting out the matters to which the registered providers of social housing for its district to have regard in formulating policies relating to:

- a) the kinds of tenancies they grant,
- b) the circumstances in which they will grant a tenancy of a particular kind,
- c) where they grant tenancies for a term certain, the lengths of the terms, and
- d) the circumstances in which they will grant a further tenancy on the coming to an end of an existing tenancy

A local housing authority must have regard for its tenancy strategy in exercising its housing management functions, must keep its tenancy strategy under review, and may modify or replace it from time to time.

## G. Equalities

Under the Public Sector Equality Duty (section 149 of the Equality Act 2010) to have due regard to the aims of the Duty at the time the decision is taken.

The aims of the Duty are:

- (i) eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act,
- (ii) (ii) advance equality of opportunity between people who share a protected characteristic and people who do not share it, and
- (iii) (iii) foster good relations between people who share a

protected characteristic and people who do not share it. Protected characteristics: age, sex, disability, race, sexual orientation, gender reassignment, religion or belief and pregnancy & maternity. Only aim (i) of the Duty applies to Marriage & civil partnership.

This report relates to the following aim of the equality duty: -

- To eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act.
- To advance equality of opportunity between people who share a protected characteristic and people who do not share it

- To foster good relations between people who share a protected characteristic and people who do not share it.

An Equality Impact Assessment has been undertaken as part of this review and the information gathered and reviewed did not identify any negative impact or difference for people with the legal defined protected characteristics.

The tenancy strategy requires that housing associations provide equality impact assessments for their individual rent and tenancy strategy, the strategy has the potential to promote equality of opportunity as the use of lifetime tenancies for the most vulnerable ensures this.
