Cabinet 25 June 2020

Is the final decision on the recommendations in this report to be made at this meeting?

Yes

Performance Summary: Quarter 4

Final Decision-Maker	Cabinet
Portfolio Holder(s)	Cllr Tom Dawlings, Portfolio Holder Finance & Governance
Lead Director	Lee Colyer, Director of Finance, Policy and Development
Head of Service	Jane Clarke, Head of Policy and Governance
Lead Officer/Author	Jane Clarke, Head of Policy and Governance
Classification	Non-exempt
Wards affected	Not applicable

This report makes the following recommendations to the final decision-maker:

- 1. That Cabinet notes the summary of priority projects performance over quarter 4 at appendix A.
- 2. That Cabinet notes the summary of service performance over quarter 4, at appendix B.
- 3. That Cabinet notes that performance indicator Recovery Plans for quarter 4 have not been submitted, but notes are included in appendix B.

Explain how this report relates to the Corporate Priorities in the Five Year Plan

 This performance report outlines the Council's progress against the 8 Big Projects and the Corporate Priorities within the Five Year Plan.

Timetable		
Meeting	Date	
Management Team	29 May 2020	
Overview & Scrutiny Committee	8 June 2020	
Cabinet	25 June 2020	

Tunbridge Wells Committee Report, version: January 2018

Performance Summary: Quarter 4

1. PURPOSE OF REPORT

- 1.1 This report summarises the performance of the Council's priority projects and service delivery over quarter 4, including results for performance indicators collected annually. Where under-performance is identified, the appendices highlight actions to resolve this.
- 1.2 The performance management framework is part of the overall governance framework within the Council, which ensures that risks are managed whilst results are delivered.
- 1.3 Quarterly performance management helps the Council to improve services and deliver better results for residents, and Cabinet oversight ensures that the framework is robust, and that performance is open to challenge from those with political responsibility for the delivery of services. Providing a publicly available quarterly report allows Council members, stakeholders and residents to engage with the work of the Council, and to provide further challenge where it is appropriate and effective to do so.

2. INTRODUCTION AND BACKGROUND

- 2.1 The report is divided into two main sections:
 - Projects performance (appendix A)
 - Service performance (appendix B)
- 2.2 Delivery of the priority projects is corporately monitored on a weekly basis by the Project Management Office and is reviewed every two weeks by the Programme Management Board, which consists of the Chief Executive and his Directors. Progress is also monitored informally by Portfolio Holders in regular update meetings with Directors, and once a month at Leadership Board.
- 2.3 Quarterly reporting through Cabinet ensures openness and transparency of the Council's projects and plans and ensures significant oversight and scrutiny of the Council's actions.
- 2.4 Service delivery is monitored on a day-to-day basis by line managers and reported to Heads of Service and Management Board on a quarterly basis. Quality control checks on the data gathered are conducted by line managers, the Performance and Governance team and by Heads of Service through Management Team meetings.
- 2.5 For this quarter, due to the impact of Covid-19 on resources in the Council, underperforming indicator recovery plans have not been sought for indicators showing red. However notes have been included with the indicators at appendix B to explain why the indicator is showing as red, and where appropriate plans to improve the situation.

3. PROJECTS PERFORMANCE

- 3.1 On 27 September 2017 the Full Council agreed a new Five Year Plan, which set out 'eight big projects' that would help it to meet its corporate priorities of a 'prosperous, well and inclusive borough'. Those eight projects were:
 - 1. The Cultural and Learning Hub (The Amelia)
 - 2. A new theatre (Calverley Square)
 - 3. New offices with underground car parking (Calverley Square)
 - 4. New off-street car parking
 - 5. A new Local Plan
 - 6. New sports facilities
 - 7. New community centres (Community Hubs)
 - 8. New public space (Public Realm Phase 2)
- 3.2 On 6 December 2017 Full Council approved the scheme known as 'Calverley Square' for funding and delivery beyond RIBA Stage 3 (developed design stage).
- 3.3 On 17 June 2019, a motion was put to Full Council, which was agreed, as follows:
 - "That Cabinet be requested to stop all new expenditure on the Calverley Square project with immediate effect and to not enter into further commitments other than, with the involvement of all political parties and other relevant stakeholder groups, to manage an orderly consideration of all alternative proposals."
- 3.4 At the 1 August 2019 Cabinet meeting it was agreed to progress the Calverley Square scheme to the end of RIBA stage 4 and then to commit no further funding to the scheme, to support a cross-party 'Advisory Panel' to include other relevant stakeholders to consider all alternative proposals, and for a comprehensive update following completion of RIBA stage 4 to return to Cabinet.
- 3.4 The consequence of these decisions has been that progress on projects 2 and 3 (Calverley Square) of the previously agreed Five Year Plan will end following the Calverley Square Development Closure report due to be considered by Cabinet on 6 February. These projects will no longer form part of the current Five Year Plan and will no longer be reported on through the quarterly performance reports after quarter 4, 2019/20. Additionally to this, the project for off-street car parking is on hold.
- 3.2 The project status at the end of quarter 4 for the projects listed in the Five Year Plan is as follows:

Qtr.	GREEN	AMBER	RED
4	3	4	0
3	5	3	0
2	1	4	5
1	4	2	3

4. SERVICE PERFORMANCE

- 4.1 The Council collects information on 25 indicators that have targets and 9 indicators that do not have targets set. The list of indicators and outturns for quarter 4 are set out in more detail at appendix B. The Council also collects 9 indicators that are reported annually, and are included in this report.
- 4.2 The Council is not currently collecting performance indicator information for three museum indicators during the construction of the Amelia Scott.
- 4.3 The Council is not currently collecting performance indicator information for one property indicator during close-down for the Calverley Square scheme.
- 4.4 Performance at the end of quarter 4 for the 25 performance indicators that do have targets shows that 16 are performing as expected, six are underperforming and data is not available for three indicators.
- 4.5 Waste and Street Scene data is not available at the time of writing the report for:
 - Standard of the performance of street cleansing
- 4.6 Economic Development data is not available at the time of writing the report for:
 - Number of tourist information centre counter enquiries
 - Number of customers advised remotely by the TIC

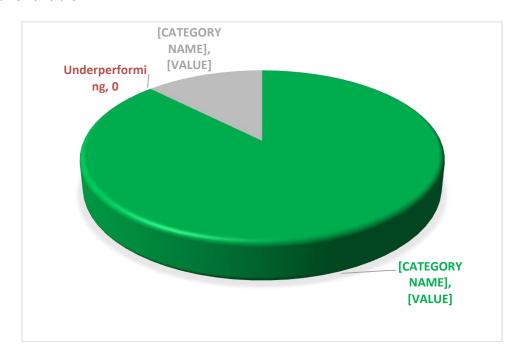

Qtr.	Performing	Under Performing
4	16	6
3*	14	6
2*	17	4
1*	16	5

^{*}Shows data at the time of reporting to Cabinet.

Service Performance by Directorate

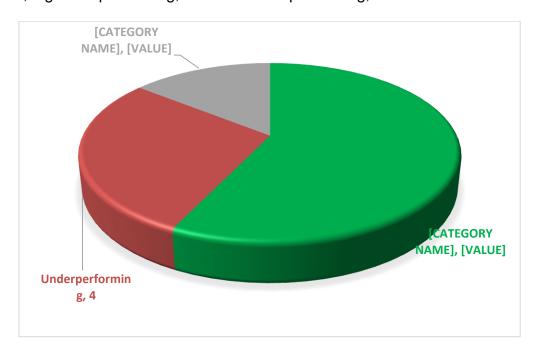

Director of Change and Communities

4.7 There are eight performance indicators with targets being collected in this area. Of the eight, none are under performing, seven are performing, and one is unavailable.

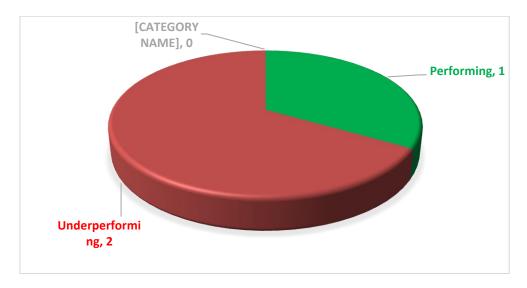

Director of Finance, Policy and Development

4.8 There are 14 performance indicators that have targets in this directorate. Of the 14, eight are performing, four are under performing, and two are unavailable.

Director of Mid Kent Services

4.9 There are three performance indicators, all three of which have targets in this directorate. Of the three indicators, two are underperforming and one is performing. It is important to note that two of the indicators relate to Council Tax and NNDR collection, and it is likely that the collection rate would have been better, but has been impacted by Covid-19 at the end of the quarter.

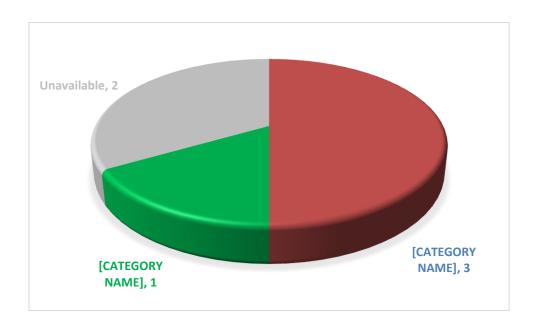

5. UNDER-PERFORMING INDICATOR RECOVERY PLANS

- 5.1 The six under-performing indicators are set out below, and notes regarding those indicators are included at appendix B of the report.
 - i) Processing of major applications in time
 - ii) Processing of minor applications in time
 - iii) Processing of other applications in time
 - iv) Performance on appeal major applications
 - v) Percentage of council tax collected
 - vi) Percentage of non-domestic rates collected

6. ANNUAL INDICATOR RESULTS

- 6.1 The Council collects an additional 11 indicators, which are reported annually. One indicator for Property and Estates is not being collected, and one indicator for Economic Development is no longer being produced by the ONS, and so will be discontinued.
- 6.2 Of the nine indicators that are being collected annually and reported on, six have targets. Three are under performing, one is performing and two are unavailable.

7. AVAILABLE OPTIONS

7.1 The report is for noting only, with no decisions being made as a result of the recommendations. As such there are no options available to Cabinet.

8. PREFERRED OPTION AND REASONS FOR RECOMMENDATIONS

- 8.1 Performance management is an important tool to use for organisations and businesses to assess their progress on desired aims and outcomes. To promote transparency and increase trust in how the Council spends public funds, performance information is published quarterly to allow for greater scrutiny of the Council's long term ambitions and day-to-day activities.
- 8.2 The recommendations are to note the factual information within this report. Any actions Cabinet may choose to take as a result of the information in this report will be brought forward in separate reports to Cabinet with recommendations for decision.

9. CONSULTATION RESULTS AND PREVIOUS COMMITTEE FEEDBACK

9.1 The information presented in this report is for factual purposes, and there are no decisions arising as a direct result of this report. No public consultation has taken place, however the report has been reviewed at the Overview and Scrutiny Committee on 6 June, where the following comments were made:

10. NEXT STEPS: COMMUNICATION AND IMPLEMENTATION OF THE DECISION

10.1 There are no decisions arising from this report, but the information will be published on the Council's website as part of the relevant agenda pack information.

11. CROSS-CUTTING ISSUES AND IMPLICATIONS

Issue	Implications	Sign-off
Legal including Human Rights Act	There is no statutory duty to report regularly to Cabinet on the Council's performance. However, under Section 3 of the Local Government Act 1999 (as amended) a best value authority has a statutory duty to secure continuous improvement in the way in which its functions are exercised having regard to a combination of economy, efficiency and effectiveness.	Keith Trowell, Team Leader Corporate Governance
	One of the purposes of the Council's Corporate Priorities is to provide clear strategic direction in order to facilitate the improvement of the economy, efficiency and effectiveness of Council Services. Regular reports on the Council's performance assist in demonstrating best value and compliance with the statutory duty.	
	There are no consequences arising from the recommendation that adversely affect or interfere with individuals' rights and freedoms as set out in the Human Rights Act 1998.	
Finance and other resources	A number of these performance indicators and projects have financial implications and where appropriate these are covered in the Capital, Revenue and Treasury Monitoring Reports that accompany this report.	Jane Fineman, Head of Finance and Procurement

Staffing establishment Risk management	This report demonstrates the vast proportion of work being undertaken by the Council's staff to provide services for the Borough and meet the projects within the Five Year Plan. Performance is monitored on a monthly basis by Management Team, and is assessed against current staffing trends and issues to ensure staff resources are aligned with the Council's priorities. All risks associated with this report are within the Council's current risk appetite and managed in accordance with its risk management strategy.	Nicky Carter, Head of HR, Customer Service and Communities Jane Clarke, Head of Policy and Governance
Data Protection	There are no data protection issues which need to be considered as a part of this report.	Jane Clarke, Data Protection Officer
Environment and sustainability	This report and the action plans will have considered this aspect to ensure that the service areas and projects deliver the desired outcomes for Environment and Sustainability.	Gary Stevenson, Head of Housing, Health and Environment
Community safety	There are no consequences arising from the recommendation that adversely affect community safety.	Terry Hughes, Community Safety Manager
Health and Safety	There are no health and safety issues to consider as a part of this report and recommendations.	Mike Catling, Health and Safety Manager
Health and wellbeing	Health inequalities are differences in health status and health outcomes within and between communities and are the result of a complex interaction of various factors, including but not limited to: housing conditions, neighbourhood planning, employment, air quality, access to good quality green space and provision of leisure facilities. Marmot (2010) recognised that the role that	Gary Stevenson, Head of Housing, Health and Environment
	Marmot (2010) recognised that the role that local authorities play in improving these	

	wider determinants of health. This led to the transfer of public health budgets to local authorities on 1 st April 2013. This enables health priorities to be determined locally and improves integration of preventative public health measures with statutory services. In our role as place shaper, the Borough Council is responsible for a number of decisions and policies that will have a direct impact on health inequalities. Examples include our plans for future growth and investment, the local plan, housing development and associated community infrastructure, reducing emissions and national carbon targets.	
Equalities	The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no apparent equality impact on end users.	Sarah Lavallie, Corporate Governance Officer

12. REPORT APPENDICES

The following documents are to be published with and form part of the report:

- Appendix A: Five Year Plan and Corporate Priorities Projects Update
- Appendix B: Service Performance Update
